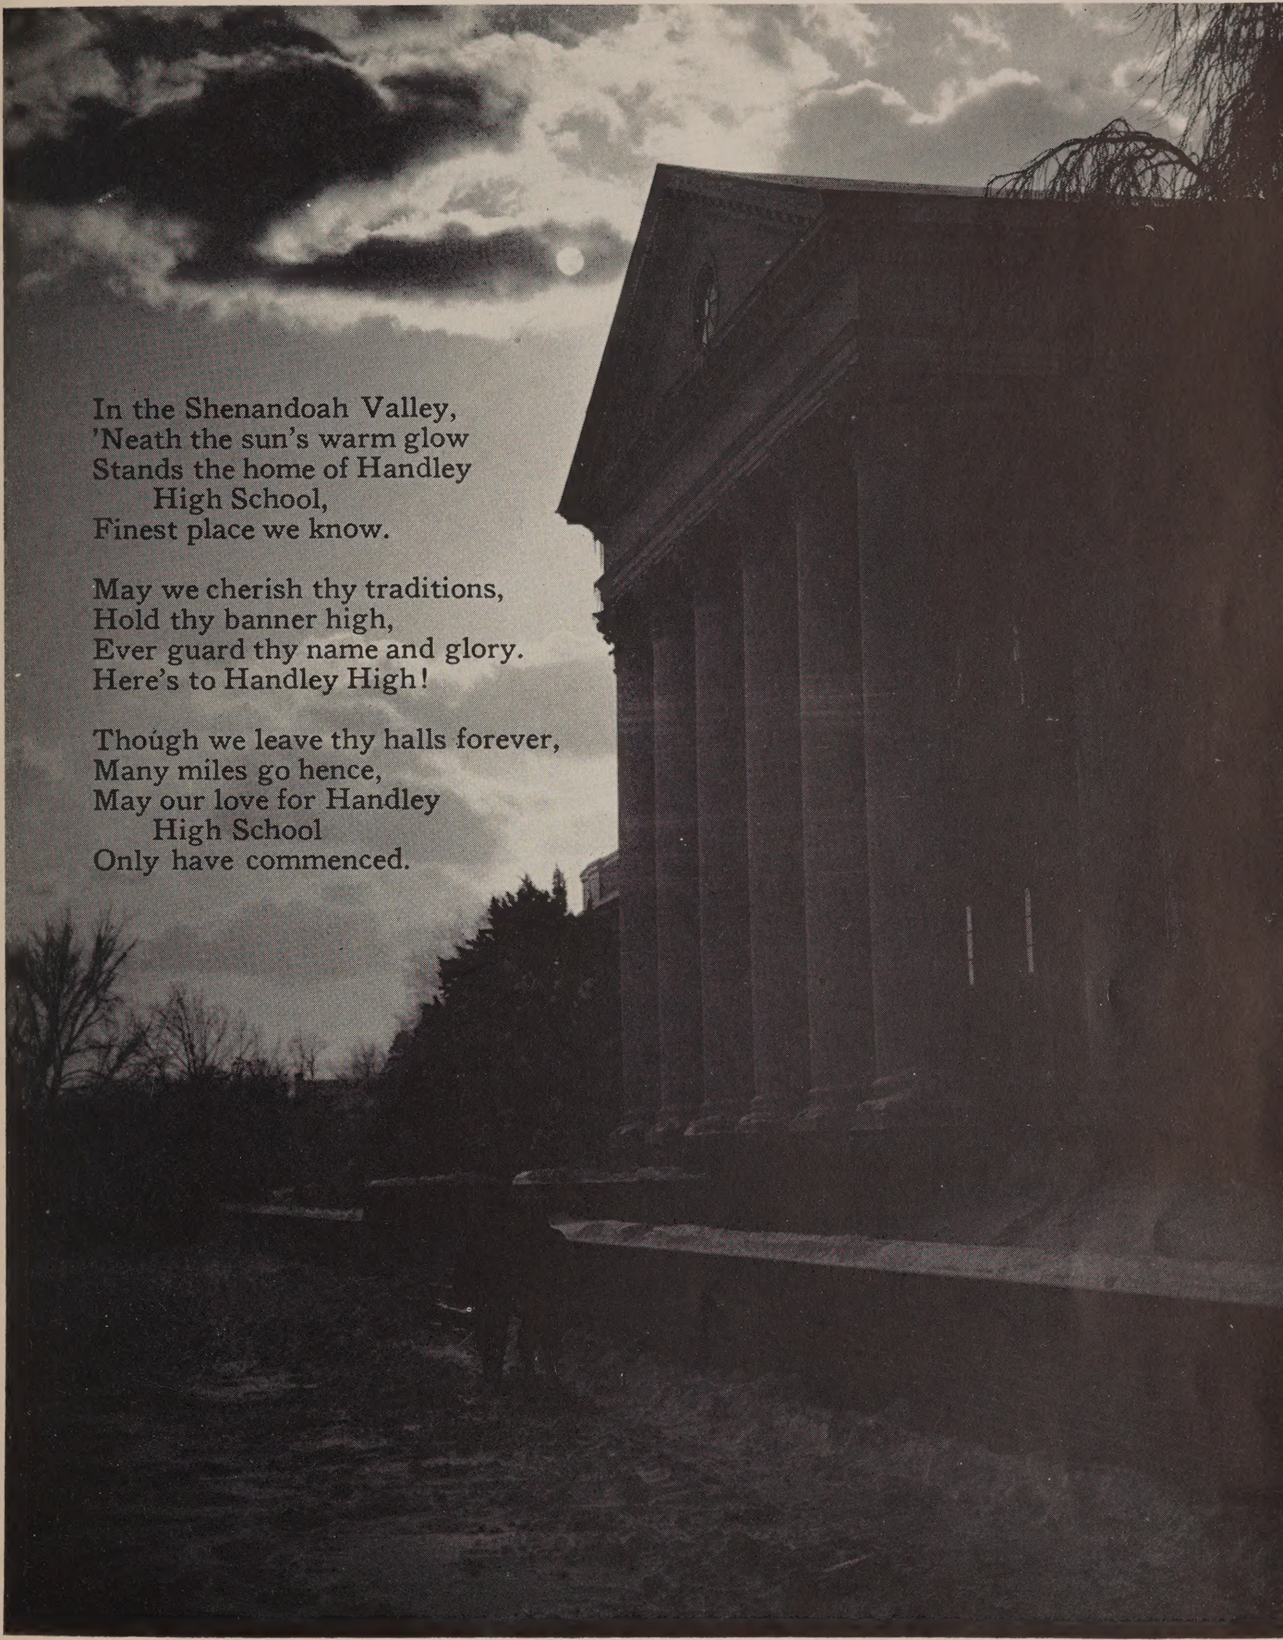
“Stands the home of Handley High School

Property of
The Library of Virginia
Richmond, VA

Finest place we know"

Foreword

In the past twenty-nine years, many classes have passed between Handley's white columns, and through her halls, contributing to her principles and traditions. Each, in its turn, upon graduation has added some new expression of thanks for the many benefits derived from school life. We, the thirtieth graduating class, the Class of 1954, feel that our thoughts and gratitude are best summed up in the school song. We are proud to have chosen as the theme of this yearbook, Our Alma Mater.



In the Shenandoah Valley,
'Neath the sun's warm glow
Stands the home of Handley
High School,
Finest place we know.

May we cherish thy traditions,
Hold thy banner high,
Ever guard thy name and glory.
Here's to Handley High!

Though we leave thy halls forever,
Many miles go hence,
May our love for Handley
High School
Only have commenced.

Dedication

Science is the most useful foundation of modern living. Your 30 years as a member of the Handley faculty have served to instill in many students a wholesome interest and understanding of the scientific. Because, through your teachings in this great field of invention and exploration, you have laid a firm groundwork for future study and because of the devotion which you have shown to your students, our class is happy and proud to dedicate our 1954 HANDLIAN to you, Mr. Luther S. Hale.

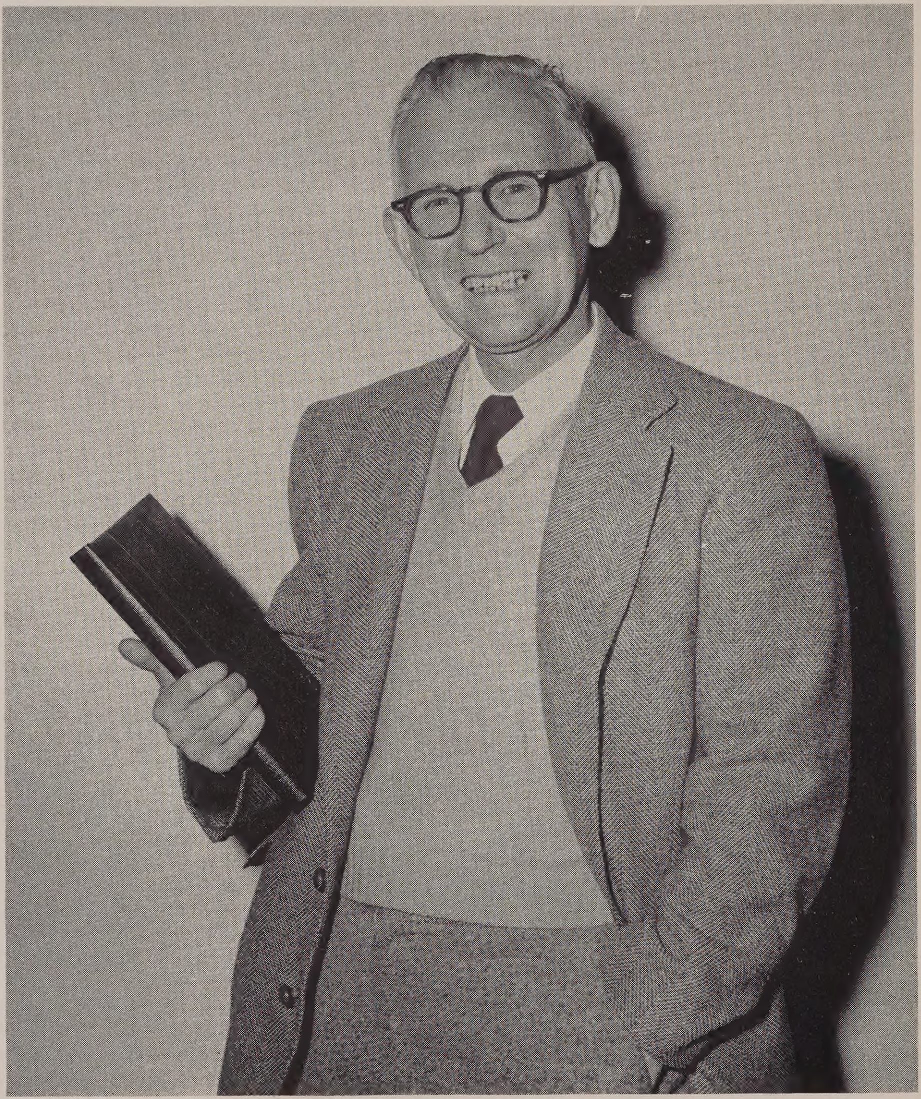
Administration



DR. QUARLES

Dr. Quarles, our principal, counsellor, and friend, seems part of the tradition of Handley. To us, he exemplifies those attributes which we desire for our own lives—respect, admiration, and honor. Our lives have been enriched through our associations with him. He is a part of Handley which we shall never forget.

Administration

MR. FRY

One of the best-loved persons at Handley is our Assistant Principal, Mr. Fry. Through his endless assistance and personal guidance, we have gained both assurance in school, and preparation for adult life. His services to our class have been invaluable.

MISS CORKEY

Through the early guidance of Miss Corkey as principal of the Elementary and Junior High School, we became adjusted to Handley. She has been helpful in many activities, especially the Junior Red Cross, which she supervises throughout the entire school.

Senior Class Sponsors

MRS. SENCINDIVER

Mrs. Sencindiver, patiently working with us during our high school years, has made us ever conscious of the full meaning of our class motto—"*Success Awaits At Labor's Gates.*" To her, we owe our whole-hearted thanks and sincere appreciation for the help and cooperation which she had so freely given.

MR. RICHARDS

Accepting the position of class sponsor in our senior year, Mr. Richards has willingly lent his originality and light-hearted skill to all our projects. Working as one of us, on myriad problems, he has assumed the complex role of teacher—friend. His cheery hello and smiling face will be long remembered by all of us.

CROSSROAD OF LIFE

By Charles Gibson Funk

While old Father Time stands watching,
With his hour-glass in his hand;
While we journey down Life's highway
Toward our God's own Promised Land—
We have reached a major crossroad;
We have found our first real goal.
Now our school-days are all over;
Sad and heavy is our soul.

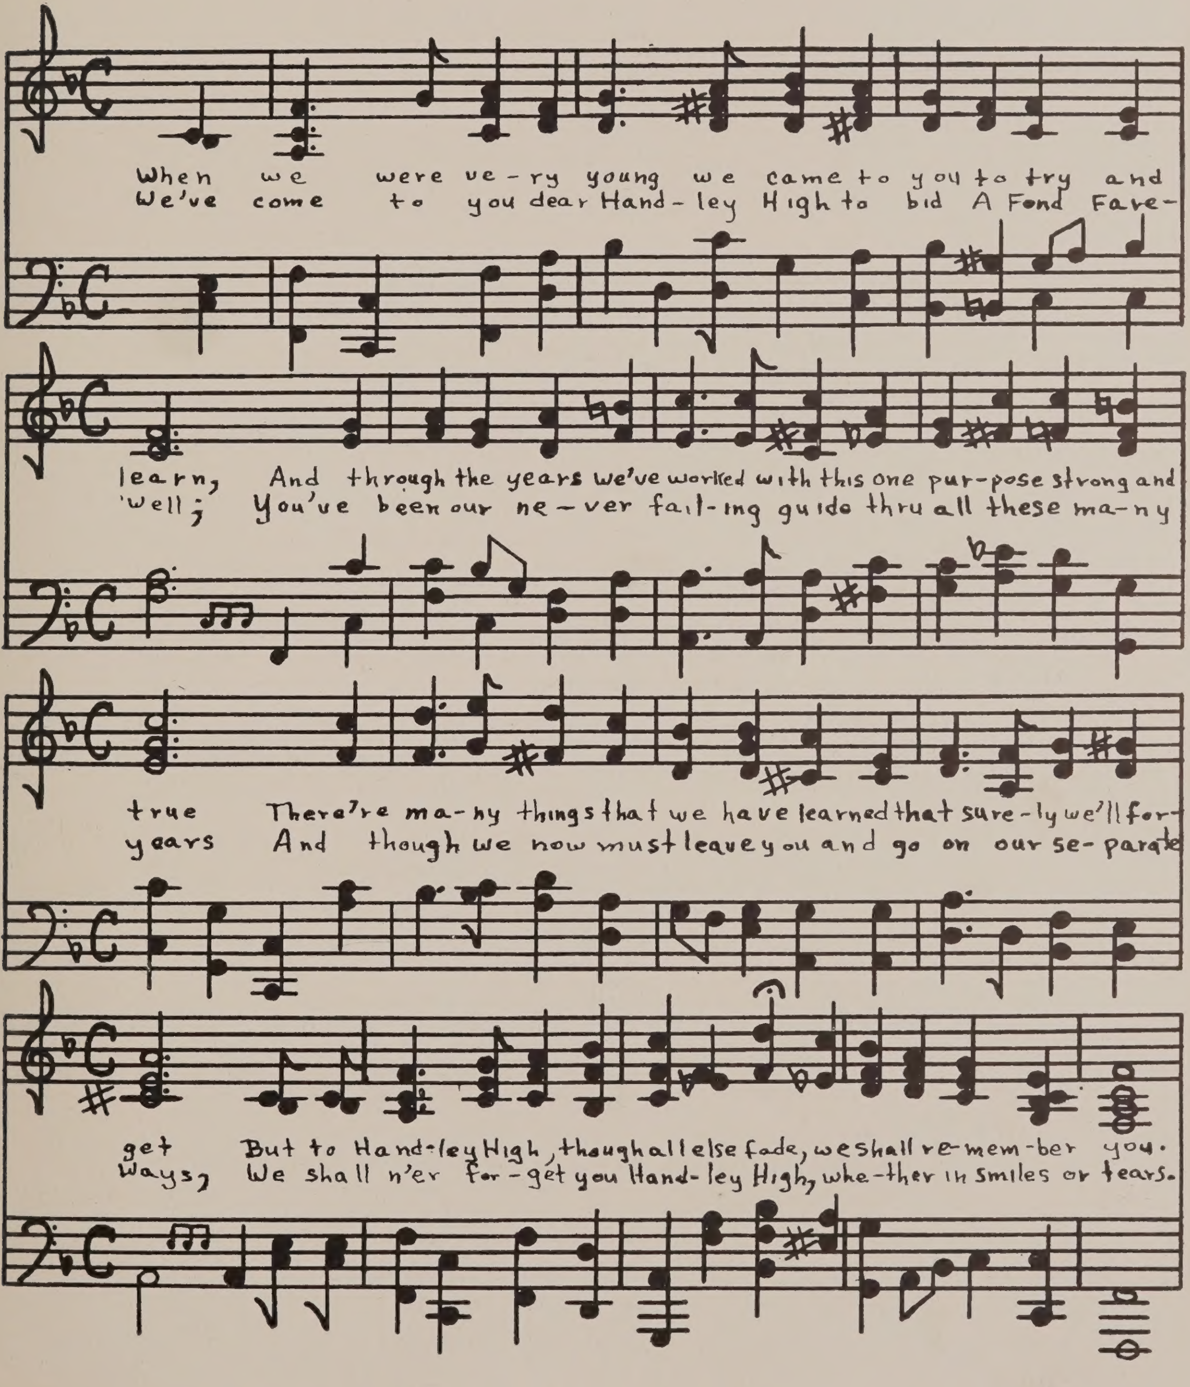
Here we stand, and dimly realize
That the pattern now must change.
We who've been so close as class-mates,
Enter pathways new and strange.
Some of us to fame will travel;
Some will fight to save the free;
Some in sorrow may be sunken—
We can only wait and see.

But, of one thing we are certain—
Mem'ries linger in our heart;
Though our class is separating,
In our thoughts, we'll never part.
We would say as we are walking
From these halls we've know so well;
In our hearts, you'll be remembered;
Dear Old Handley—now farewell!

A FOND FAREWELL

WORDS BY
S. Larrick

MUSIC BY
R. Johnston



When we were ve-ry young we came to you to try and
We've come to you dear Hand-ley High to bid A Fond Fare-
learn, And through the years we've worked with this one pur-pose strong and

Senior Scrapbook

Sept. 8—On Sept. 8 we came back to school to begin the most important school year of our lives. Our Senior Year!

Sept. 9—We really felt important on the morning of Sept. 9. Why? We went to our first morning chapel as Seniors.

Sept. 15—The first senior class meeting was opened by the gavel of President Bob Kendall. Also, the first edition of the Junior Evening Star was published by the Booster Club that same Tuesday.

Sept. 19—We tied our first football game of the season with Wilson Memorial. Cheer up, fellows. We didn't lose it!

Sept. 22—With the first meeting of the HANDLIAN Staff having taken place, we were confident that Judy, Carle, and the entire staff would put forth the best yearbook ever.

Oct. 1—After many telegrams and much anticipation, the great day arrived. We got our Senior Rings! Aren't they beautiful??

Oct. 9—We had our first holiday of the year when our teachers went to a district meeting in Harrisonburg. By the way, the Judges came through with an exciting victory over Harrisonburg that same night. The score? Handley 20—Harrisonburg 13.

Oct. 17—Ray! Ray! Ray! Our terrific team pulled one out of the bag by defeating the much favored Fort Hill squad 20-7.

Oct. 23—The big pep rally before the Warren County game was an inspiration to the team because of the cheering and serenading of the Senior Girls.

Oct. 24—We cannot say enough for the Judges victory over the Warren Wildcats 7-0. That Saturday afternoon had its sad moments, too. Co-Captain Lew Binner suffered a badly broken leg in the first moments of play. The entire student body wished Lewis a speedy recovery.

Nov. 4—We can say without a moment's hesitation that a good time was had by all attending the G. O. Dance.

Nov. 14—With the score 18-0, the Handley grid stars captured the district title with a victory over Natural Bridge. Congratulations boys, for a job well done!

Nov. 26—After a wonderful Thanksgiving dinner we journeyed to Martinsburg for our last football game of the season. Nobody won and nobody lost. The score? Handley 7 Martinsburg 7.

Dec. 9—After the last votes were counted, the entire Who's Who was announced in class meeting.

Dec. 10—Senior Play try-outs were held tonight. Who knows? We may have a Barrymore or two in our class.

Dec. 11—The annual Senior Party was held with Christmas as its theme. The decorations, entertainment and refreshments made the party a very enjoyable one.

Dec. 15—The Handley basketball quint defeated Broadway 51-42 in the first game of the season.

Senior Scrapbook

Dec. 20—We couldn't help having the Christmas spirit after the Glee Clubs and Elementary Chorus sang so beautifully in the Christmas Concert.

Dec. 23—Hooray! We're out for the holidays with many good times ahead of us. Merry Christmas everybody!

Dec. 31—The only date we had all year when we could say, "Good night folks. See 'ya next year."

Jan. 4—Reluctantly, and rubbing our sleepy eyes, we returned to school after the holidays.

Jan. 20—Semester exams were getting awfully close about this time—too close for comfort and cramming.

Jan. 25—With hope in our hearts and more, we hope, in our heads, we began exam week.

Feb. 1—After much sweat and toil, the 1954 HANDLIAN went to press. We, of the Handlian staff, are sure it was worth all our time and trouble.

Feb. 12—We certainly were thankful for College Day, because it helped many of us with the biggest decision of our lives.

Feb. 13—Congratulations all you female athletes! The Play Day was a whopping, big success.

Feb. 25—All the members of the senior play cast were hard at work memorizing and rehearsing on Feb. 25.

March 12—Shakespeare said, "The play's the thing." On the big night of March 12, with a cast of lunatics, a New York critic, and many policemen, we proved that "Arsenic and Old Lace" was a comedy that should not have been missed by anyone.

March 26—There was music in the air on March 26, because the band under the direction of Mr. Strunce, presented their Spring Concert.

April 1-2—On April Fool's Day, the monotony of the school year was broken by a two-day spring vacation.

April 29-30—Another Apple Blossom Festival, with the pageant and parades, took place on the last two days of April.

May 28—To graduate or not to graduate; that was the question. Finals!

June 4—With exams a thing of the past we were able to relax for a wonderful evening at the Jr. Sr. Prom.

June 6—At Baccalaureate, we realized how close and important our graduation really was.

June 7—The Senior Banquet, with its many speeches, caused laughter and some tears as we sang the Alma Mater for the last time as Handley students. After the banquet, the festivities of the Sr. Prom put a grand finish on all before-graduation celebration.

June 8—The Grand Finale! With diplomas in hand, we realized that our twelve years as students had drawn to a close and that soon we would be face to face with the future. Thank you, Handley. We are far better individuals for having been a part of you.

The Library Club has many and varied activities. Every year it sponsors a Book Week, gives an assembly program, keeps a scrapbook of all school activities, and has a party. The initiation of new members into the club is very colorful. Each novice spends a day at school dressed as a story book character. These members are then introduced to the student body through a highly entertaining assembly program. The club members not only work in the library, but also maintain two bulletin boards to promote interest in reading.

1953 Latin Teams

Last April, Handley High School sent a Latin team to the twenty-fifth Virginia Latin Tournament, in which 392 Latin students took the state examination. Although the 1953 team did not win a plaque, as it has at times in the past, all members of the team represented Handley well. A certificate of honorable mention, in Latin II was won by Earl Fauver.

1953 Literary Teams

The student body should be very proud of the literary team which represented Handley at the District Forensic Meet last year. The members of the literary team, chosen for their outstanding ability in debating, public speaking, poetry reading, prose reading and spelling, ought to be commended for their fine showing. Nancy Quarles and Stephen Brown, who won championship honors at Harrisonburg, represented their school well at The Thirty-Eighth Annual State Forensic Meet held in Charlottesville.

The Lupton Horticultural Club's purpose is to promote an interest in agriculture among the students of Handley and to make better citizens of tomorrow. Each year, under the leadership of Mr. Hootman, the members of the club prepare an agricultural display in the main hall exhibiting various produce. The efforts of this club have done much toward beautifying our campus.

Booster Club

WHEN

The Booster Club was founded in 1933 under the Sponsorship of Mrs. Edward Barr.

WHY

The purpose of the Booster Club is to further the morale of the school by actively lending its cooperation and assistance to recognized school organizations in assisting with or furthering such projects or undertakings as may seem worthy of purpose.

HOW

Junior and Senior girls are eligible to become members of the Booster Club when they have acquired a certain number of points. These points are based on attainments in Scholarship, Leadership, and Citizenship.

WHO

The Officers Are:

SUZANNE ROSENBERGER	*President*
ANN MASON	*Vice-President*

THE ACTIVITIES

The activities of the Booster Club vary from year to year, according to when the Club is needed to help any school group or organization. Certain activities however, are always a part of the Club's program. During the summer members of the Booster Club are busy soliciting ads for the coming season's football program, which must go to press well in advance of the first Home Game of the season. At our home games the Booster Club members sell programs. The money obtained from these programs is used for team needs—whatever they may be.

As soon as school opens, the club operates a second-hand book store. This is advantageous to many students....both those who want to sell books and those who want to purchase them. Sometime early in the fall the Booster Club presents an Assembly Program—the purpose of which is to acquaint the Student Body with all student organizations and the purpose of each.

At Christmas time the Booster Club provides a Christmas card box and deliver Christmas cards in Junior and Senior High School. College Day is early in the second semester. This is another school project with which the Booster Club assists by acting as guides, messengers, and assisting with the social hour.

In order to stimulate a wider participation in the state literary contest, the club puts on a spelling contest and offers prizes in both Junior and Senior High School for short stories, essays, and poems written by students.

They also give a silver cup to the Homeroom group putting on the best Assembly Program during the school year. Perhaps their biggest undertaking is the editing of the Junior Evening Star during the entire school year.

Junior Play

Can a small cat really cause a calamity? It can and did in "The Cat's Whiskers", the uproarious comedy presented by the Junior Class last year. The hilarious antics of the gossipy neighbors, the arrest of Ernie, and the return of the cat, all added up a riotous play.

SENIOR PLAY

After many weeks of practice, "Arsenic and Old Lace" was presented by the Senior Class on March 12. The antics of two supposedly innocent old maids, and their involved lives gave the play an exciting climax and a surprise ending. It was unanimously proclaimed a great success.

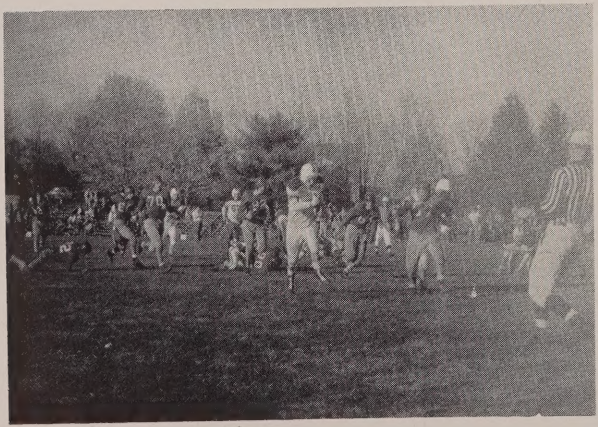
Handley 6; Wilson Memorial 6

The inexperienced Judges opened their schedule in their own "backyard" against a seasoned team from Wilson Memorial. Handley scored early with big George Semples smashing over for the tally in the first quarter. The Green-Hornets, however, came back to tie the score with a fourth-quarter pass into the end zone. Lacking only two yards for the winning Handley T. D., the gun sounded ending play.

Handley 13; Waynesboro 0

For their second game, the Judges again played host when the favored "Little Giants" of Waynesboro invaded Handley bowl. In the third-quarter, following a scoreless half, Jack Pingley went on a thirty-yard T. D. jaunt and Lew Binner made good the conversion. George Semples added the other T. D. to our win when he bucked the line in the last quarter.



Handley 7; Lexington 6

Handley journeyed to Lexington for their first away game. Slow at starting, the Judges trailed by six points at half-time. However, sparked with determination to win, the team came back in the fourth quarter as Semples smashed through the line for the needed tally. The all-important point was added by Lew Binner, and Handley maintained their lead for a second win.

Handley 20; Harrisonburg 13

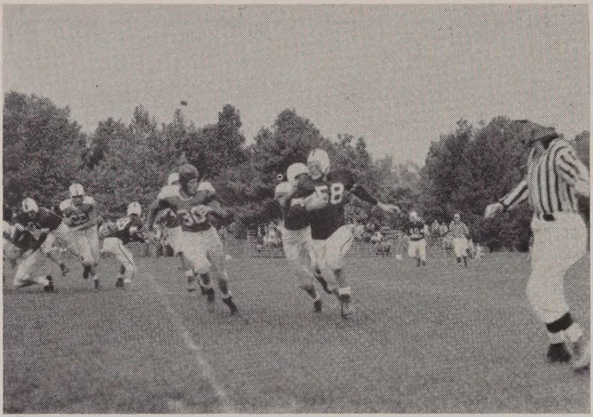
Their fourth game found the Judges guests of a favored Harrisonburg team. The "Blue Streaks" scored first, but a pass from Stryker to Jones soon tied the game. Before half-time the "Streaks" again scored to lead by six. Undaunted, Handley came back with George Semples scoring in each of the remaining quarters, and Binner adding the two extra points to complete our win.

Handley 20; Fort Hill 7

The Sentinels of Cumberland, Maryland, invaded Handley stadium with hopes for an easy victory. Undaunted, the Judges poured everything they had at the Fort Hill eleven and, in the first-half, took a 20-0 lead. Using their defensive unit in the remaining quarters, Handley held their opponent to one T.D. The best play of the game was an eighty-nine yard touchdown run by Onza Hyatt.

Handley 7; Warren County 0

The Handley bowl was the scene of quite an upset when the Judges whipped their toughest opponent, the Warren County Wildcats 7-0. The Judges, spurred on by the injury of Co-Captain Lew Binner on the opening kick-off, fought hard. This fighting spirit, paid dividends in the final quarter as speedy little scatback, Bill Jones, raced 38 yards to "paydirt". Bob Grove added the point after touchdown to complete the scoring for the game. The Handley Judges had won a major victory.

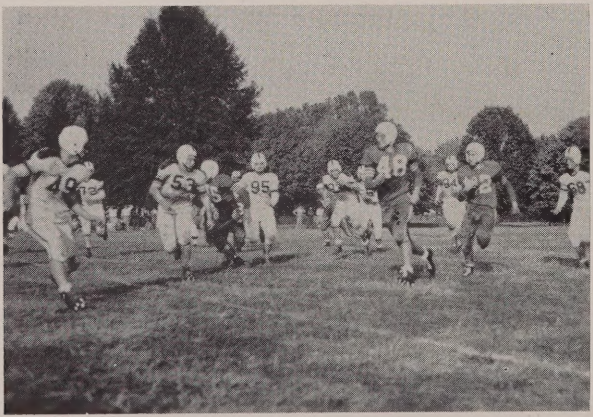


Handley 37; Staunton 0

The highly-favored Handley team was held to 6 points in the first-half by the Leemen of Staunton, as Orndorff was the only man to cross the goal-line. It was a different story in the final quarters, as Pingley scored two fast touchdowns and Armstrong another in the third-quarter. In the fourth-quarter, Gordon and Sigros added two more tallies, and Grove's extra point served to complete the scoring.

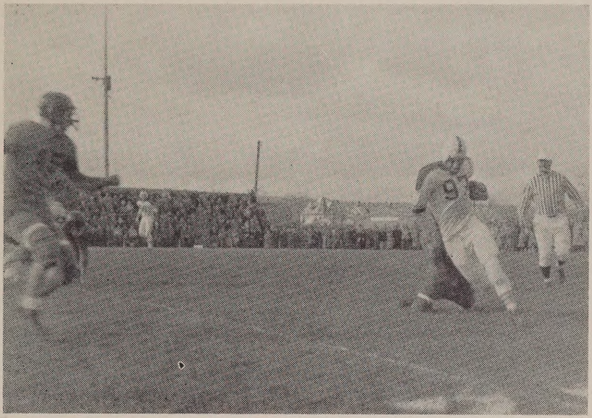
Handley 0; Fredericksburg 19

The Judges, traveling out of the district for the game with James Monroe, met a very strong foe. The game, which was one-sided all the way, handed Handley their only loss of the season. Following many fumbles on a wet and muddy field, the game ended with a 19-0 score, spoiling the chances for an undefeated record.



Handley 18; Natural Bridge 0

The Judges ended an undefeated league season by trouncing a hard-fighting, Natural Bridge eleven. The only score in the first-half, against this "pepped-up" opponent was made by George Semples. However, in the second half, Buddy Orndorff crossed the goal line twice to cinch the game for the Judges. Handley had won 6 games and tied one.



Handley 7; Martinsburg 7

The Judges met their traditional rival, the Bulldogs, in Martinsburg on Turkey Day for their second tie of the season. A 72 yard play, after the half, gave the Bulldogs the first touchdown. Having missed many chances in the first-half, the Judges came from behind in the last minutes of the game with George Semples scoring the much-needed touchdown.

Arlington Relays

The 1953 season opened for the Handley thin-clads at Arlington, Va., in the Sixth Annual Arlington Relays. Sixteen schools from the greater Washington area, Maryland, Virginia and even North Carolina were represented.

The competition was extermely tough, but out of the five track records that were broken, Handley had one to its credit. The distance medley relay, with the team of Solenberger, Kendall, Thompson and Gimm improved the previous mark of 8 minutes 15.4 seconds to 8.08 flat. This was the first record to be broken in the 1953 season, but not the last.

County Meet

The Handley team walked off with first place in the Annual Tri-County meet, adding to a long string of previous wins for this meet.

Out of fourteen events, the Handley squad took eleven first places. The competition wasn't too tough, nothing like what was to come, but everyone had hopes of winning the Invitational Meet which was close at hand.

State Meet, Charlottesville, Va.

The day got off to a bad start the morning of May 9, when a half inch of rain fell on the track at the University of Virginia's athletic field. Nevertheless, this didn't seem to slow the boys down.

The sun soon came out, and the Handley team with three meets to their credit, looked forward to winning the "big one," the Annual State Track Meet.

Representing District Five, Handley was running against the top teams in the Group two league, which is composed of practically all of the high schools in the Shenandoah Valley.

Records fell as Burr Grim started things rolling for the Maroon and White by clipping 14 seconds off the mile run. Wes Diebler bettered the old discus mark by more than a foot. Bill Minor set a new record of 50.5 seconds for the 440 yd. run. His best time before this was 51.9. Bob Solenberger set a new mark in the 880.

The scoring was neck and neck all the way, with Handley ahead by only a few points. William Fleming of Roanoke was close on Handley's heels and taking several field events. When it was all over, Handley came out on top by a slim 5 points; champions of Group 2 with four new track records.

14th Invitational Meet

April — 1953

Handley High School

Handley made a very good showing in their third meet of the year, as they won over some very strong teams in the tri-state area.

Participating in the meet were Fort Hill, Frederick, Handley, Wilson Memorial, and Shenandoah and Martinsburg.

As Grim surpassed all previous mile records and Minor broke the four-forty yard dash, Handley racked up many points to copp first place.

District Five Track Meet

April — 1953

Handley High School

Handley lived up to all expectations in this meet as eleven men of the team qualified for the State Track Meet to be held in Charlottesville in May and in doing so won the District Championship.

Handley easily took first place as they compiled 77 1/6 points to Wilson Memorial's 42 3/5 second place bid.

Harrisonburg, Waynesboro, James Wood, and Montevideo were the only other teams to score. They placed in the meet in that order.

To take first-place honors the Judges placed in every event but the 100 yard dash and high jump. They took first in 10 out of 14.

Fort Hill Meet

To finish a perfect season, the Handley thin-clads went to Cumberland, Maryland for the Fort Hill Invitation meet. This meet will long be remembered by all who saw it and all who participated in it as one of the best. Handley was up against the cream of the crop, the Cumberland Valley region.

The meet started with all the relays scheduled for the end of the meet. Handley moved, gathered points, winning the pole vault, by the courtesy of Hector Robertson, breaking the old Handley record as well as the Fort Hill record. Burr Grim, Handley's great miler, showed the yankees how to run, breaking the mile record, and the 880.

The 440, broad jump, shot put, discuss all fell before Handley's march. But the relays were yet to come, and Handley had a slim lead over second place Fort Hill. The Fort Hill team took two relays, moving ahead by a slight margin.

In the last event, a four-man relay, Handley was third in the running when the baton was handed off to Bill Minor, anchorman. The entire crowd stood on its feet and cheered as Minor circled the track, overtaking the lead man and winning the event for Handley. Handley won the meet by a bare four points. Needless to say, there was never a happier bunch of boys anywhere.

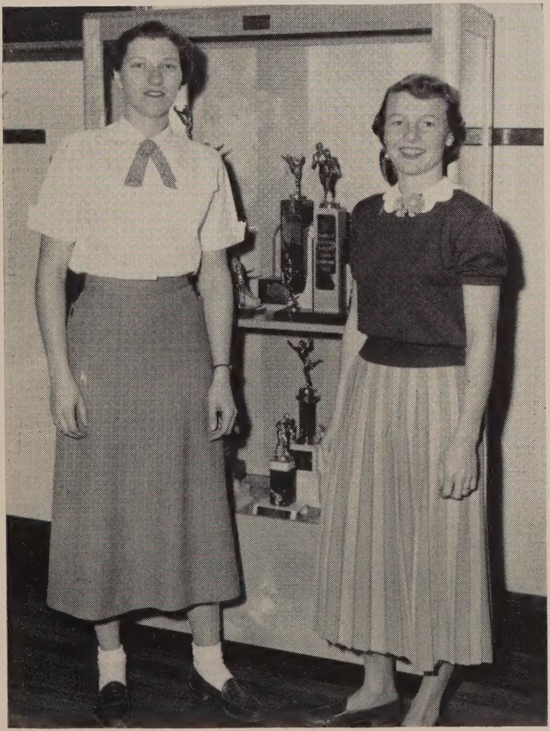
ARCHERY WINNERS

Of the spring-time sports, Archery and Badminton are two of the most popular. Last year, the Badminton winners were Sara Welch, Betty Haymaker and Ann Barnhart. The winners of Archery were Sara Welch, Pat Duvall, Diana Peters and Loma Good.



Miss Ritter and Miss Carter

At the head of the Girls' Athletic Department we have Miss Carter, and as her able assistant, Miss Ritter. Always ready to help in any way they can, they have endeared themselves to all who have come in contact with them. In addition to their regular duties as physical education teachers, they sponsor the Girls' Monogram Club, coach the cheer leaders and assist in directing the Apple Blossom Festival pageant.

earn while you learn!

Your pay starts from the first day at the telephone company — even while you're learning your new job!

That's one reason so many young girls choose a telephone job when they finish school. They don't need experience to get this good job — and they're paid while they learn a skill that'll always be useful.

Find out more about the variety of telephone jobs from your high school counselor — or come in and see us when you finish school.

Sometimes it is the nature of a craft to create an unbreakable tie between itself and the worker in that field, a heart attachment equal to lifetime devotion. One familiar example is PRINTING. Once editor, once compositor, or pressman catches the spirit of the shop, the spell is seldom broken. Like the odor of a camp fire, or a whiff of salt air, the beloved tang of printer's ink, symbolical of a great profession, gets into your heart and soul. School Annuals, Magazines, Newspapers and Special Printing, all smack of it. It is an invisible link that binds all intelligence together. It is the stimulus for creation in business or romance. This craftsmanship, this devotion to service and alertness to business needs, has nourished and developed enormous industrial vitality and whichever way the course of the future runs, the printer will always find himself able to adapt his helpfulness to new opportunity.

YEARS OF EXPERIENCE HAVE TAUGHT US! PRINTING PAYS US ONLY WHEN IT PAYS YOU!
